

## Dues Payment Option OGR/Aurora First Program

Working together, OGR and Aurora give you the leverage you need to provide quality products for families – while delivering substantial cost savings to you.

### Members Receive:

**Savings with Discounts and Rebates up to 22%** - In addition to the **6%** initial product discount, and the **12% rebate** on all units, members can earn **additional rebates of 2%** on 18-gauge units and **4%** on stainless steel, copper and bronze units. The foundation of the program is a 50% commitment of your casket sales volumes.

For questions about the Aurora First Program, contact Jane Hollingsworth at (800) 457-1111 or your nearest Aurora representative.

- **Dues Payment Option** - Through this popular program, you can *maximize your buying power* by applying your annual year-end rebate from Aurora Casket purchases toward your 2011 OGR membership dues, saving time-consuming paperwork and simplifying payment of annual dues. In most cases, the Aurora rebate exceeds the cost of membership dues.

The Dues Option Program is easy and convenient. First, Aurora will send a portion of your rebate directly to OGR. This amount is credited to your membership account.

With your 2011 membership renewal, your dues are paid automatically, *including a 2% payment discount from OGR*. If an additional amount is needed, OGR will invoice you for the balance. If you qualify for a refund, you will receive a check within 30 days of your renewal date.
