United States Air Force Academy & Garden of the Gods Tour

The USAFA is set against the Rampart Range of the Rocky Mountains, providing a beautiful setting for this 18,000-acre property that houses over 4,000 cadets. During the Academy tour, guests see the Visitor's Center and an authentic B-52 that served a tour in Vietnam, along with the world-famous Academy Chapel. Military protocol may occasionally prohibit visitors inside the chapel, but the exterior architecture is stunning in and of itself. Touring the USAFA shows guests something of a cadet's life, their education and military responsibilities, and the intensity of their training. The Academy is the most visited of all man-made attractions in the state of Colorado and shouldn't be missed by any visitor to the Pikes Peak Region. Leaving the Academy, guests will head southwest to the Garden of the Gods, one of the most breathtakingly scenic spots in the entire state of Colorado. Once prime hunting grounds for the Uncompahgre Indians, this park offers a taste of Colorado's colorful history combined with stunningly beautiful scenery.
