Hello **John**,

Thank you for your kind words about our service and staff. It was a nice service for **your mom**, and the number of people who attended showed how much **she** was loved and respected. I hope you and the family have been able to get some rest.

I wanted to ask if you would be willing to provide us with a Google Review. We have found that the reviews are the best way to let other families in need know of our services.

As you have a gmail account, the process is quite simple. If you go to Google Maps, type in **Evan J. Strong Funeral Services**, it will bring you to our page, at the bottom- it allows you to write a review. You can also see what other families have said.

If you have any questions, please let us know. Once again, thank you for the privilege of helping your family during this difficult time, and we will continue to have a good thought for you and your family.

Regards,

Evan J. Strong *(or whoever made the arrangements)*
